Counter Terrorism Exercising & Plan Assurance Programme

Practising your response to a terrorist incident: evacuation, invacuation, lockdown and communication.

Would your teams know what to do when it matters?

Nu-ology's one-day tabletop workshop brings your counter terrorism plans to life through realistic, sector-specific scenarios. Led by subject matter experts with deep lived experience and operational insight, it provides a psychologically safe setting to clarify responsibilities, practise decisions and strengthen staff confidence.

Our optional **Plan Review & Drill Support Package** adds structured plan review, targeted micro-drills and communication cascade testing, helping you capture learning and prioritise improvements.
